

Please Practice **Respiratory Etiquette** During Cold & Flu Season

**Cover Your Mouth when
Coughing & Sneezing**

**Use Tissues & Place in
Waste Baskets after use**

**Wash Hands Frequently
with Soap & Water**

COWORKERS, VISITORS, FAMILIES AND FRIENDS:

In order to protect the health and safety of our patients and coworkers, we ask you not to come in if you are ill with a fever, diarrhea, cough or cold symptoms with fever or the flu because infections are easily spread from person to person by coughing, sneezing and from soiled hands.

Thank you very much for your cooperation.
